WEINVIERTEL (AUSTRIA)

Petra (pictured during the harvest) & Franz Prechtel own & run this 15 hectare estate, established in 1839.

When harvesting an ice wine, it must have a minimum of -8° Celsius. This freezes the water in the grapes. Sugar and other ingredients are squeezed out.

Ripe mango, honey melon, pears and herbs aromas with peach, mango, pureed pears with hints of earth, spice and simple acidity.
