

Les Couventines Gigondas

SOUTHERN RHÔNE (FRANCE)

Denis Vaudier and his brother own Chateau de Peyguerol which provides grapes to the VPA co-operative in G n rac where this wine is made. Co-op wines are generally great value for the money, and this one is no exception!

Ripe baked cherries with licorice and vanilla undertones on the nose. Hedonistic jammy black cherries, black berries and raspberries flavors with peppercorn, fresh hillside herbs and anise.
