

Mas de la Source
Rosé Réserve

PAYS D'OC (FRANCE)

Aurélie and Jérôme Vic run this 5th generation winery found in the heart of the Languedoc in Southern France. They grow traditional Mediterranean varieties that thrive in the heat of the region. Garrigue herbs contribute to the herbaceous minerality.

Cinsault/Grenache. Pale rosé color with lush red raspberries, strawberries and roses petal. Delicious with BBQ, canapés & salads or just sip & enjoy!!
