

Maison Paul Reitz
Vosne-Romanée
BURGUNDY (FRANCE)

Paul Reitz started making wine in 1872 but the original estate has been in the Reitz family since 1793. Vosne-Romanée is a celebrated commune in the Côte d'Or, home to 15 Premier Crus and 6 Grand Crus vineyards. The clay-limestone soil is known for producing silky, rich, complex Pinot Noir.

Opulent. Black currants, dusty cherries, hedonistic earth and thyme. Pair with slow roasted meats and fowl or strong flavored cheeses.
