

**R serve de G nerac**  
**Costi res de N mes**  
SOUTHERN RH NE (FRANCE)

This delicious red is a product of a co-op located in G nerac, just south of N mes. With well-run co-ops, the result is a ton of wine for your money ... and this is one of those! All wines from this co-op are certified Terra Vitis.

An explosion of black currants and black raspberries with lingering spices and hillside herbs. You won't be disappointed!
