

**Palazzo Malgara
Inzolia**

SICILIA (ITALY)

This wine - produced by 2 renowned local winemakers - is from the island of Sicily off the tip of Italy's boot. The grape Inzolia is planted primarily in the western part of Sicily and is also used to make Marsala.

Bright! Traces of lemon citrus and peel, apple skins and almonds. A rich mouth-feel with subtle herbs, it's a great match for grilled fish, prawns or vegetable crudité.
