Primitivo

PUGLIA (ITALY)

100% Primitivo. The name of the grape refers to the growing region or "Primitivo di Manduria" from Puglia, Italy's heel of the boot!

Robust, ripe dark black berry, plum skins and cassis with subtle black pepper and rich body. Related to Zinfandel, but Italian style- a bit more acid. Perfect for pairing with hearty meat dishes, roasts, or robust cheeses.

A great example from Southern Italy! --Cheers!
