

**Scopone  
Brunello di  
Montalcino**  
TUSCANY (ITALY)

Woman winemaker and manager of the farm, Theresia Baijens Genazzani and her husband, Andrea Genazzani, renovated this property in Montalcino that sheltered the displaced during the war.

Luscious dark cherry, leather, tobacco leaves, hillside herbs and black pepper. Elegant, complex, earth. A beautiful wine & a good price for Brunello!
