

Outon Albariño

RIAS BAIXAS (SPAIN)

Simon Ferro family began this winery in 1975 well before the Rias Baixas officially became a DO in 1988. Located in NW corner of Spain in the Rio Miño Valley, their 50 ha vineyards are mostly dedicated to Albariño.

Classic seafood wine! Aromatic white flowers and spring blossoms shouldn't fool you. Depth and minerals, the bright cooked summer apples, soft hints of tropical fruit and lingering acidity are extraordinary.
