

La Puerta Alta Malbec

LA RIOJA (ARGENTINA)

The vineyards of La Puerta are nestled in the **Andes** mountain range located in the Famatina Valley of La Rioja. The current winery was built in 2002 and is one of the most advanced modern facilities in the region, guaranteeing high quality. After secondary fermentation, this wine is blended with **Reserva** & aged **3 months** in French & American oak. Flavors of plum, blackberry & mulberry, with a little mocha & vanilla from the oak. This wine is great with steak or burgers off the grill! *Cheers!*
