

## **Le Gravillas Sablet**

SOUTHERN RHÔNE (FRANCE)

This award-winning **co-op** was founded in 1935 and includes **150 growers** that cultivate 550 hectares. The winery was named “Le Gravillas” in honor of the soil near the village of Sablet formed by sand and gravel. A superb blend of Grenache & Syrah it's full of ripe **dark fruits and spicy tannins**. Best with food, we suggest aged goat cheese, pork chops or grilled meats .

*Cheers!*
