

Bodegas Langa Garnacha

CALATAYUD (SPAIN)

In the region of Aragón, south west of Rioja, Calatayud is known for inky Tempranillo and vivacious Garnacha. The Los Yermos vineyard can be found between the mountain range La Sierra de Armantes and the River Ribota, near the town of Torralba de Ribota.

Macerated cherries, strawberries and raspberries mingle with toasted aromas, smoke and tobacco.

-- Cheers!
